Stellar Labs NL4-SPLIT

<https://canada.newark.com/stellar-labs/nl4-split/speakon-splitter-box-one-nl4mp/dp/73T6064>

Advantages:

- Reduce wire clutter with 2x – 4-conductor wire.
- Pre-wire receiver before BEFORE sliding into A/V rack (or TV stand).
- Don't need banana plugs on receiver for easy connection (just screw into binding posts & click in speakON when ready).

Stellar Labs NL4-SPLIT

<https://canada.newark.com/stellar-labs/nl4-split/speakon-splitter-box-one-nl4mp/dp/73T6064>

- 1: can use 2-terminal speakON
- 2: MUST use 4-terminal speakON
